

## Gregg County New Landowners Program Series... 2016 Year

The Gregg County AgriLife Extension Service will be hosting a program series for the 2016 year that will feature nine sessions that will meet each month from January through September. The program will focus on new landowners in the area that would like to learn about how to manage their property and in the process, learn some new skills related to agricultural use of it. Each participant's will also receive a three ring binder with the entire program materials included, as well as refreshments during the program itself. The program agenda and topics are listed below; all sessions will be held at the Gregg County Extension office and will start at 6:00 pm.

### Program Series Schedule...

*All sessions start at 6:00 pm and will be held at the Gregg County Extension office in Longview.*

**January 25, 2016** – “Property Tax Valuations” – Mark Cormier, Gregg County Appraisal District. Will also include what the property owner needs to do to qualify and keep the various valuations on; Timber, Wildlife, General Ag and even Bee Hives.
